

**College Planning Services
Bebe Kok & Associates, LLC
PO Box 362210
Hoover, AL 35236**

The cost depends on the needs and expectations of the student and parent. The first appointment is free and typically is for 40 minutes with the parent and student meeting separately. In person meetings are best, but can be over zoom. At that time I want to know what your goals are and will let you know what I do to help you meet those goals.
